Mr. Douglas B. Fugate, Commissioner  
Department of Highways  
Richmond, Virginia 23219

Dear Mr. Fugate:

Thank you very much for taking time from your busy schedule to meet with us on 1 November to discuss problems of mutual interest and concern regarding access to our Headquarters building. We will try to see Mr. Trowbridge soon to explore in greater detail his specific desires regarding entrance to his property.

I greatly appreciate your willingness to re-examine the need to take some interim steps to relieve the congestion at the Chain Bridge as well as your willingness to study the traffic problem in the McLean area. You can be assured of our complete cooperation in any plan to alleviate this admittedly very undesirable situation.

Please give my best regards to Messrs. Harwood and Britton. I do hope that you will come out to see us when you are in the Washington area.

Sincerely,

/s/ L. K. White
